

It is the policy of Cherish LLC to promote safe transportation, with provisions for handling emergency situations, when the program is responsible for transporting persons receiving services.

Please review the full Transportation Policy on our website at cherished1.co

**Cherish would like all road users to exercise the '5 Cs' of safe driving:
Care, Caution, Consideration, Courtesy and Common sense**

1. Unless it is posted otherwise, the speed limit in a residential area is:

- | | |
|---|---|
| A | 30 miles per hour |
| B | 20 miles per hour |
| C | 35 miles per hour |
| D | Whatever speed you feel comfortable driving |

2. When a driver approaches a traffic signal that is “dark” with no indications, what is the requirement of the driver of an approaching vehicle?

- | | |
|---|---|
| A | Slow down and proceed through the intersection with due caution. |
| B | Speed up while traveling through the intersection. |
| C | Continue through the intersection as normal. |
| D | Stop at the stop line and obey the same requirements of a multi-way stop condition. |

3. What is the most important driving technique to avoid crashes when driving in icy or snowy conditions?

- | | |
|---|--|
| A | Add extra weight to the vehicle to improve traction. |
| B | Get off the highways as quickly as possible. |
| C | Engage 4-wheel drive on the vehicle. |
| D | Reduce speed and increase following distance |

4. When two vehicles arrive at an intersection at the same time, which one has the right-of-way when no signs or signals indicate rules?

- | | |
|---|---|
| A | The car approaching from the right has the right-of-way. |
| B | The car approaching from the left has the right-of-way. |
| C | The car in which the driver sounds his horn first has the right-of-way. |
| D | The car that is traveling faster has the right-of-way. |
